Products

1x Canopy PL-BL1500
2x Angle
4x Side screws
2x Side cover

Dimensions

All dimensions in mm,
unless otherwise specified.

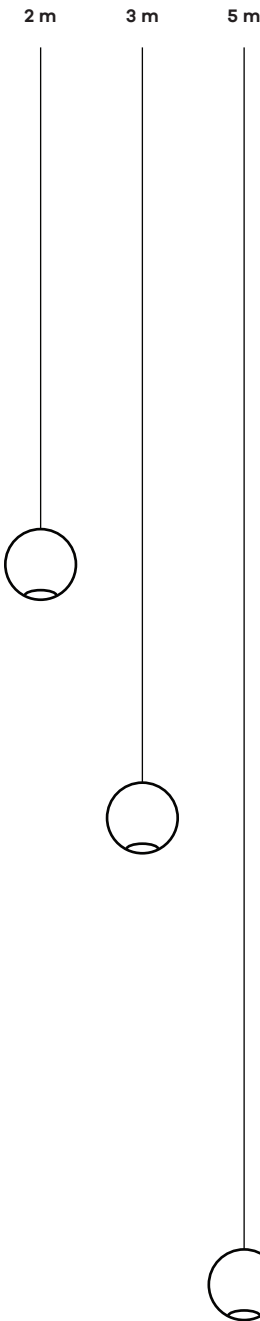

○ **Shade diameter**
The different hole patterns are suitable for different lampshades. This symbol indicates the largest fitting diameter.

📦 **Total weight**
The total weight varies slightly depending on size and design of the selected shades.

Pendant light **Cable**

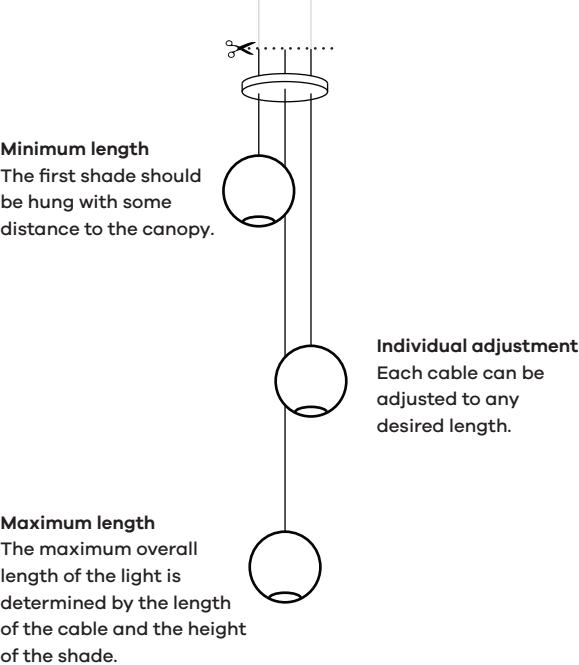

Standard lengths

Three different cable lengths are available as standard. Other lengths are also possible.

Flexibility

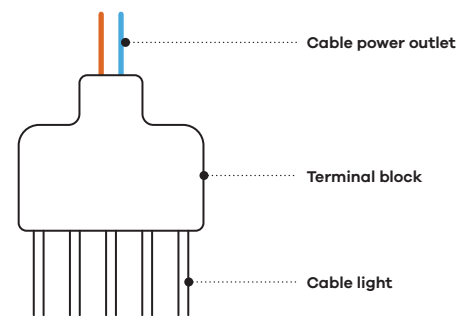

All cables supplied are the same length. Each cable can be shortened individually.

Electrical connection

All cables can be connected to a power outlet. The required terminal block is included in the scope of delivery in the required size.
